\* 1 and 2 relate to your garden waste collection week.

# Chargeable green waste service

## Brown wheeled-bin

- If you have a brown wheeled-bin it will be registered to your address and will be collected from your kerbside every fortnight on your allotted collection day and week as per the calendar overleaf (please note not all residents will have their garden waste collected on the same day as their refuse)
- Ensure only garden waste is placed in the bin as detailed on the lid and website
- Check or report on our website [www.wokingham.gov.uk](http://www.wokingham.gov.uk)
  - Missed collection - report after 4pm on the day of collection or by the end of the next working day
  - Lost or stolen bin
  - Find waste collection days - garden waste can be collected on different days to the refuse and recycling
  - Assisted collection - if you have difficulty presenting your bin/sacks
  - Report a move within the borough if taking the service to your new address

## Compostable sacks

- When purchasing for the first time, let the outlet know to ensure your address is added to the collection round
- These sacks will be taken away with the garden waste
- If you are using them to supplement your wheeled-bin capacity place them next to the bin for collection
- **These bags are compostable and are not designed to store green waste in**

## Terms and conditions

- The Council reserves the right to not collect the bin if the contents don't comply with those stated on the lid or on our website
- The bin will only be emptied if a current annual charge has been paid and a current sticker displayed on your bin
- No other bin other than those issued by the Council for this service will be emptied
- The Council reserves the right to alter the collection schedule at any time
- No part of the annual charge will be refunded once the service has commenced
- The Council reserves the right to withdraw the bin and service should either the wrong material be placed in it or if the bin has been unreasonably treated
- You must take your bin with you when you move within the borough and contact us to update your record
- A broken bin will only be removed if it is visible and accessible on the day of exchange.
