

USING YOUR NEW BIN

Please put your waste out the night beforehand, following the steps below, or it may not be collected.

Please leave your bin right next to the nearest public pavement, where it can easily be moved with no obstructions like garden walls.

except assisted collections

Your bin holds 180 litres, about the same as two full blue rubbish bags. We won't empty it if it's too full - the lid must be FULLY closed.

Please don't block the pavement with your bins or green bags.

We will not collect any other rubbish left beside your bin.

WELCOME TO YOUR NEW WASTE COLLECTIONS

2024-2025 COLLECTION CALENDAR INSIDE

Week 1
Recycling and food waste (no limit on green bags)

Week 2
Rubbish and food waste

Your new service starts with a recycling collection from green bags, on your usual collection day, in the week starting Monday, 12 August.

We're about to start collecting your rubbish every two weeks, from your new black wheeled bin, instead of the weekly blue bags.

We'll also collect recycling fortnightly, on the other weeks, from the usual green bags. We'll still collect your food waste every week.

Your collection time may change, so please put your rubbish and recycling out the night before or it may not be collected.

MOST THINGS THAT YOU THROW AWAY CAN BE RECYCLED

The only things that go in your black bin:

- Bagged pet litter and animal waste
- Household dust and dirt
- Black plastic food waste trays (recycle any other colour)
- Polystyrene
- Disposable nappies and sanitary waste
- Plastic film, bags or bubble wrap (recycle at some supermarkets)
